

Dear Comrades

We regret to inform you that our friend and comrade Iván Harsányi, member of ISDUE, passed away on February 15th 2018 at the age of 88.

Iván was a respected member and auditor of ISDUE and a pillar of our work, almost never missing a conference or meeting during all the years.

We all who were allowed to take part in his life, we mourn for a lively, humorous and competent man and friend.

We will respectfully keep him and his work in our memory. Our thoughts are with his family.
